OFFER LETTER

Date: 16 April 2026

Dear Preview Intern,

On behalf of LUMENTIX SOLUTIONS PRIVATE LIMITED, we are pleased to offer you an internship opportunity as **Software Engineering Intern** with the **Product Development** department. This offer is issued after preliminary review of your profile and is subject to completion of joining formalities, document verification, and adherence to the policies and professional standards of the company.

REFERENCE ID	JOINING DATE
LTX-20260416-0002	16 April 2026
INTERNSHIP DURATION	**REPORTING MANAGER**
6 months	HR Manager

INTERNSHIP APPOINTMENT

Your internship is intended to provide practical exposure, structured learning, and supervised participation in assignments relevant to your role. You will report to **HR Manager** or any other person designated by the company from time to time. Your responsibilities may include project support, research, documentation, coordination, testing, analysis, and other tasks aligned with the objectives of the **Product Development** department.

PROFESSIONAL EXPECTATIONS

- Maintain punctuality, regular attendance, and professional conduct throughout the internship.
- Complete assigned work with care, accuracy, confidentiality, and respect for timelines.
- Follow reasonable instructions issued by your reporting manager and authorized company representatives.
- Use company systems, data, documents, tools, and communication channels only for approved work purposes.
- Participate in reviews, discussions, and feedback sessions arranged during the internship period.

POLICIES AND CONFIDENTIALITY

You are expected to comply with all applicable company policies, including rules relating to information security, workplace conduct, anti-harassment, intellectual property, confidentiality, and responsible use of digital resources. Any material, data, code, design, client information, business information, or documentation accessed or created during the internship must be treated as confidential and must not be copied, disclosed, published, or used outside authorized company work.

ASSESSMENT AND COMPLETION

The company may review your performance, learning progress, attendance, conduct, and completion of assigned work before issuing any completion certificate, experience letter, or relieving communication. Successful completion is subject to satisfactory conduct, handover of assigned work, return of company property if any, and completion of exit formalities.

> Please confirm acceptance of this offer by replying in writing and by completing all requested joining formalities before the joining date. This document can be verified using the reference number and QR code included in this letter.

We welcome you to LUMENTIX SOLUTIONS PRIVATE LIMITED and look forward to your contribution, learning, and professional growth during the internship.
