RELIEVING CONFIRMATION

Based on the records available to the company, your engagement lifecycle has reached the recorded final status of **Relieved**. You are released from routine reporting obligations and assigned duties connected with the above reference, subject to completion of any pending handover, access removal, administrative verification, asset return, clearance, or documentation requirement communicated by the company.

EXIT, HANDOVER AND ACCESS CLOSURE

- All assigned work, documents, files, credentials, reports, source materials, configurations, and project records must be handed over as instructed.
- Any company property, system access, data, licensed software, device, repository access, communication access, or confidential material must be returned, disabled, transferred, or deleted as directed.
- Pending clarifications, handover notes, documentation, knowledge transfer, approval records, or transition items must be completed with **HR Manager** or another authorized representative.

- Company information must not be retained, copied, published, transferred, uploaded, reused, or accessed after relieving except with written authorization.
- Any continuing obligation relating to confidentiality, data protection, intellectual property, non-disclosure, and responsible use of information remains in force after the exit date.

ADMINISTRATIVE AND VERIFICATION POSITION

This relieving letter confirms release from routine duties connected with the recorded association. It does not automatically certify settlement of every financial, statutory, asset, compliance, or administrative item unless such clearance is separately confirmed by the company. The company may retain records for legal, audit, HR, security, verification, compliance, or business continuity purposes according to applicable policy.

CONTINUING CONFIDENTIALITY AND DATA OBLIGATIONS

You must not disclose, publish, retain, copy, misuse, or transfer any confidential or proprietary information of **LUMENTIX SOLUTIONS PRIVATE LIMITED**, its clients, partners, candidates, employees, vendors, systems, processes, projects, financial records, credentials, repositories, or operational materials. Confidentiality, intellectual property, data protection, non-disclosure, and responsible-use obligations survive relieving and remain enforceable wherever applicable.
